LAMELA SANITATION

Dear Applicant :

Please be advised that your application for a DEC permit(s) is complete and a technical review has commenced. Notice and the opportunity for public comment is required for this application. Enclosed is a Notice of Complete Application for your project. Please have the Notice published in the newspaper identified below once during the week of 2/16/2026 on any day Monday through Friday.

The official newspaper of the Town of MARLBOROUGH.
Contact the Town Clerk's office to confirm the official newspaper.

On the Notice of Complete Application, that information presented between the horizontal lines, on the enclosed page(s) should be published. Do not print this letter or the information contained below the second horizontal line. Please request the newspaper publisher to provide you with a Proof of Publication for the Notice. Upon receipt of the Proof of Publication promptly forward it to this office. You must provide the Proof of Publication before a final decision can be rendered on your application. You are responsible for paying the cost of publishing the Notice in the newspaper.

Notification of this complete application is also being provided by this Department in the NYSDEC Environmental Notice Bulletin.

This notification does not signify approval of your application for permit. Additional information may be requested from you at a future date, if deemed necessary to reach a decision on your application. Your project is classified major under the Uniform Procedures Act. Accordingly, a decision is due within 90 days of the date of this notice unless a public hearing is held, which may extend this time frame. If a public hearing is necessary, you will be notified.

If you have any questions please contact me at the above address or phone number above.

Sincerely,

A handwritten signature in black ink that reads "Michael V. Grosso". The signature is written in a cursive style with a large, stylized "M" and "G".

Permits(s) Applied for: 1 - Article 27 Title 7 Solid Waste Management

Project is located: in MARLBOROUGH in ULSTER COUNTY

Project Description:

The applicant owns and operates a Solid Waste Transfer Station located at 1118 Route 9W in the Town of Marlborough, New York. The applicant is proposing to replace the existing $\pm 5,800$ square feet transfer station building with a new $\pm 9,875$ square feet transfer station building that will provide approximately 40% more enclosed tipping floor space and a dedicated transfer trailer loading tunnel. Facility would remain open during portions of construction.

The applicant is permitted to receive and transfer up to 300 tons per day. Waste streams include residential and commercial Construction and Demolition Debris (C&D debris), non-putrescible municipal solid waste (MSW), and source separated recyclables (newsprint, glass, plastic, metal, paper and cardboard). The Facility is also designed to receive and transfer up to 1,000 pounds per month of E-waste which is authorized under a registration with the Department. No changes to the facility waste throughput are proposed with this capital improvement project.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person via email to mike.grosso@dec.ny.gov
